

## Today's the Day!

Sunday, May 4, 2008

This morning, all across Canada, congregations are joining together in a historic offering. They are responding to God's call to support a place where future generations will gain the knowledge and skills they need to influence the world for Jesus Christ. They are giving because they are committed to building the new Ambrose campus, a place that will:

- become a leading centre of Christian educational excellence;
- bring different denominations together in new and synergistic ways;
- be a vibrant place of spiritual and intellectual growth that prepares students to serve and lead.

### **Ambrose** Your Christian University College

Ambrose is the official school of The Christian and Missionary Alliance and The Church of the Nazarene in Canada. We welcome students from all Christian backgrounds. Through our Faculty of Arts and Science, they can pursue degrees in history, music, the behavioural sciences, Christian studies, English literature, and business administration. The Faculty of Theology provides opportunities to train for professional ministry, in Canada and around the world. Leadership, preaching and communication, the worship arts, biblical studies, children and youth ministries, intercultural studies: all these programs are part of the rich educational experience Ambrose offers.
